TUITIONS AND FINANCIAL AGREEMENTS – MUST READ

- ISP tuitions fees are based on annual enrollment. For convenience, annual fees have been divided into 9 equal monthly payments. Payments **MUST** be received monthly; no late payments will be accepted in later months. The only exception to this rule is if parents pay the whole year in advance.
- Monthly payments start in September and end in May and are due in full by the 5th of each month.
- If payments are received by the 25th of each month, students will be expelled from school and will not be accepted back in class if the balance is not paid in full plus \$15 in late fees. Missed class time and material will not be compensated. • Payments are not prorated based on the number of school days in a month. You are committed to the same payment every month even if a month includes vacation time.
- Tuition fees should be paid regardless of absence periods due to sickness, travel, etc. Adjustment will be only made in cases of late enrollment due to transfer.
- In case of a justified withdrawal from the school (for example, moving out to another state), parents/legal guardians are responsible for full tuition fees.
- Any **outstanding balance** from last year must **be paid in full** before the start of new school year. **Failure to pay outstanding balance in full will result in denial of admission.**
- Returned/bounced check(s) due to "insufficient funds", "stopped payment", or "closed account" for any reason will incur a school handling charge of \$12 per check.
- Money paid is for tuition only. Transportation of children to and from school, hot lunch, trips, and other fees will be the parents' responsibility. In addition, parents/legal guardians are responsible for text-books payments, student schools supplies, and standardized test fees (for example: Oregon State Assessment Test).
- **Financial aid:**, Islamic School of Portland does not offer financial aid.
